

Lantern With Post - Battledown

The Battledown Post-Mounted Lantern is handmade using traditional methods. (IP23) is standard though also available as (IP44). Our Battledown Lanterns are handmade in solid brass and copper, and true replicas of Victorian street lamps. They make grand statements in any traditional or period home and come with multiple variations and sizes in the collection. We also have hanging lanterns, overhead wall lights, lamp posts and pillar versions of this light; making it possible to match all the lighting of even the largest properties.
